Key Service Lines

Emergency & Trauma Care

Good Samaritan Medical Center providers are the go-to specialists for all things emergency. As a Level II Trauma Center, Good Samaritan has the experience, training, and technology to treat everything from minor illnesses and injuries to major traumas.

Heart & Vascular

As a recipient of the 2021 NCDR Chest Pain – MI Registry™ Platinum Performance Achievement Award, Good Samaritan Medical Center has demonstrated sustained, top level performance in quality heart and vascular care. The hospital has engaged in robust quality improvement processes, using data to drive improvements and positively impact patient outcomes for heart attack patients.

Surgery

With more than 8,000 surgeries each year, Good Samaritan has the training and experience to treat a wide variety of surgical needs, including minimally-invasive and robotic surgeries. With the Lafayette Surgery Center, an SCL Health-affiliated ambulatory surgery center, patients now have a same-day outpatient surgery option that delivers the highest quality and safest care possible.

Women's Health

Since its opening in 2004, Good Samaritan has provided unparalleled care to our new moms and babies. As Colorado's first Baby-Friendly hospital, Good Samaritan supports moms to be successful in whatever their feeding choice may be. With a comprehensive Level II NICU, Good Samaritan has the capability to support almost any birth plan while delivering exceptional care.
