Key Service Lines

Orthopedics

Platte Valley offers a full-range of orthopedic services including sports medicine, total joint replacement, podiatry and more. The program focuses on nonsurgical and minimally invasive intervention but also specializes in hip and knee replacement surgery.

Women's Health

Platte Valley is an excellent choice for moms-to-be in the Brighton area. Offering deluxe birth suite suites and several birth options that now include certified nurse midwives, Platte Valley is a great place for families to get their start.

Heart & Vascular

Thanks to increased investments, the addition of new providers and being able to offer new treatments and specialties, Platte Valley Medical Center is now the only advanced heart center in the Brighton area and the only major hospital along the I-76 corridor in northeast Colorado. From heart attacks to peripheral artery disease, Platte Valley is able to treat patients needing a variety of advanced heart and vascular care.
